 - Update on the City of San Diego/City Lakes Fiscal Year 2024/2025 Budget. As you have been hearing in the emails, news reports and and update from our City Lakes representatives, the City of SD still has not restored the approximately \$59K to the lake's recreation budget. Despite our actions and the actions of the San Diego Bassmasters' Political Action Committee, the City appears to be on the path to close El Cap for the month of January, close Sutherland on all Fridays, and keep Lake Hodges closed an additional month.
 - DFG is hosting their annual "Jamboree" where all of the tournament series select their dates for their 2025 Tournaments. The date for this event has changed a couple of times, but as of now I believe it is scheduled for Thursday July 25, 2024. I will confirm this week. We need to have a brief discussion regarding the TOC and Top 6 dates and proposed lakes. We may need a representative from the council to attend and assist with selecting our dates.
 - Update on the Council sponsored tackle swap meet (Gary A.) We could charge \$20 to set up a table to sell and ask for a small donation from those that attend as buyers. Location ideas: Lake Jennings parking lot, Pernicanos parking lot.
 - Update on the Council webpage and Facebook page from Chris Mitchell and Randy Barber.
