

## SDCBC Meeting Minutes

June 5, 2024

1) Treasurer's Report

- Checking = \$3,722.76
- Fisherman's Relief Fund = \$3,032.95

2) Misc Business

- The annual jamboree to pick dates for "2025" tournaments is currently scheduled for July 25, 2024. It will be held at the Fish & Wildlife department in San Diego. Our local biologist will be present to answer questions. We anticipate most local tournament directors will be present.

The SDCBC will have in-hand multiple dates for our TOC and Top 6 tournaments to avoid conflicts with other tournaments.

- Regarding the City Lakes \$59K deficit, an email has been sent to all club representatives. This email includes a letter to forward to councilman Joel Anderson. A list of names forwarding this letter will be presented to the Mayor of San Diego to show support to reduce and/or eliminate the deficit. Councilman Joel Anderson is on our side. The "2025" budget is set to be determined on June 15, 2024.

- The SDCBC swap meet is still in the works and has not been finalized yet.

- Clubs donating to the TOC raffle are requested to bring items to the August meeting. This will allow ample time to organize the donations.

- The donation to the Brain Graves tournament was very much appreciated by the Grave's family and organization. A letter of "Thank You" was received from the Brain Graves organization. Consideration for an increased donation amount next year is on the table.

- The "Bass Fishing Hall of Fame" has been brought up for discussion. Inductee history and qualification are being gathered for further evaluation.

- The subject of FFS (front facing sonar) was brought up for discussion on its use or non-use at the upcoming Top 6 tournament. FFS will be allowed at SDCBC tournaments until determined otherwise.

- Otay Lakes will be closed 6/22/24 thru 6/23/24 due to Olympic rowing preparations.

- The mystery to relocate or sell the SDCBC trailer is still undetermined.

# SAN DIEGO COUNCIL OF BASS CLUBS
