

## SDCBC Meeting Minutes

October 2, 2024

### 1) Treasurer's Report

- Checking = \$2,966.86
- Fisherman's Relief Fund = \$3,033.58

### 2) Misc Business

- Top 6 held at El Capitan lake went as planned with no issues. Thank you to all the volunteers that made this a success. Participants suggested reducing the length of the ceremony, reevaluating how the launch order is finalized and how to solicit more club members to volunteer to assist with running the event. These topics will be reviewed and discussed prior to our next Top 6 tournament in 2025.
- The SDCBC night tournaments were brought up for discussion and will be presented to the clubs for their input for 2025.
- Gary Bass is retiring in October 2024. A volunteer is needed to be the new Treasurer. Please contact Joe or Gary if you are interested.
- The Council will be voting for the 2025 Board at the November meeting. If you are interested in holding a board position, please be available for the November 6th meeting to provide a short introduction about yourself and what position you are interested in. Voting will take place at the end of the meeting.
- The Jr. Anglers have shown interest in participating in the Top 6 and TOC beginning in 2025.
- We have rescheduled our local CA DFW biologist to attend the November 6th meeting. Please make every effort to attend. All club members are welcome. Matt Lucero, our regional biologist, has a very busy schedule and it was difficult getting him to present to our group. It would be great to have a good turn out at the November meeting.
- No club members showed up for the October meeting. To keep the council moving forward we need participation and volunteers to assist with the board, tournaments and Council business.
