

SDCBC Meeting Minutes

May 3, 2024

1) Treasure's Report

- Checking = \$3,017.76
- Fisherman's Relief Fund = \$3,032.83

2) Misc Business

Susan McGinnis and Bryan Norris from the San Diego Lakes Program attended and provide updates on the 2% budget cut (\$59,000) for next year. The cuts will include El Capitan closed the month of January and Sutherland will be on Fridays. Possibly Hodges may close for another month but was undetermined. Self-inspection for quagga muscles may also be imposed.

Lake revenue goes into a general fund and not to a city lake fund. Suggestions were made to offset the 2% cut; County to help with costs, grants, increase launching fees for kayakers and charge for parking / usage fees at Murray.

All members were requested to continue sending emails to our San Deigo City representatives. Our concerns have been heard.

The water levels at El Capitan and Hodges are being maintained at a level not to incur additional damage. Hodges is currently scheduled to be repaired first, but dates are not known. Water from El Capitan is being drawn to San Vicente to maintain a safe level at El Capitan.

Two (2) new dams are being considered again; Ramona and Mexico. The chances are slim due to funding. San Vicente is being considered for hydroelectricity in the future.

The process to purchase fishing and launch permits via credit card at the lakes and online is a long-term possibility.

The road to El Capitan is in the works to be repaired. A special crew for roadwork will be assembled to do such tasks. The road work is anticipated to start a year from now.

Clubs agreed on donating \$100 each in gift cards, tackle, etc for this year's Top 6 tournament.

New this year, the state has mandated a quagga muscle self-inspection form. Club members have not been approached by Fish & Game to produce the form. It is anticipated it will be requested in the near future.

Location for the fisherman's swamp meet has not been found. It is still in the works.

The sale of SDCBC trailer is still up in the air. Pete Graves could possibly store and use the trailer / contents for his yearly tournaments.

SAN DIEGO COUNCIL OF BASS CLUBS

MEETING ATTENDANCE

DATE: 5/1/2024

MEMBER NAME	CLUB NAME	UPCOMING TOURNAMENT LAKE	TOURNAMENT DATE
Andy Pacheco	B.C.S.D.	OTAY	5-11-24
