

## SDCBC Meeting Minutes

September 4, 2024

### 1) Treasurer's Report

- Checking = \$6,024.24
- Fisherman's Relief Fund = \$3,034.65

### 2) Misc Business

- Although we only had a few club members selling at the Swap Meet, we still considered it a success as we had quite a few buyers and our sellers were able to sell some of their fishing gear. We spoke to a lot of people who heard about our Swap Meet on "Let's Talk Hook Up" and other sources. Several buyers also requested information on joining clubs who were in need of new members and our sellers helped out quite a few Jr. fishermen. We discussed planning this event again next year and we will consider sending out notices earlier for greater participation by sellers and buyers. Discussion regarding scheduling in the fall after the Top 6 tournament.
- The Top 6 Tournament will be held at El Capitan lake on September 21, 2024. Launch order was drawn and is noted on the SDCBC website. Raffle tickets are 6 tickets for \$5 and 25 tickets for \$20. All clubs are encouraged to donate tackle, gift cards and other items for the raffle. Volunteers are needed to help with boat checks, launching, set-up and tear-down. Everything set to go as scheduled / planned.
- Gary Bass is retiring October in 2024. A volunteer is needed to be the new Treasurer. Please contact Joe or Gary if you are interested.
